KHIDMAH 2018 – BOYS FOOTBALL TOURNAMENT – AUGUST 2018 (DATE TBC)

Dear Parents,

We are looking to gauge interest for this year's annual Boys Khidmah Football tournament held at Judgemeanow Community College. The precise date is still unconfirmed but expected to be in the last week of August.

Last year MSO submitted a Year 4/5 team and the boys played extremely well and were a credit to the Madressah.

Insha'Allah we are hoping to submit another team again this year and this will depend on the number of boys who are interested and their School Year Groups. Note: we require a minimum of 8 boys to form a team and theirs and their parents commitment to weekly training every Saturday at Coombe Park in Oadby between 2pm and 4pm.

Unfortunately, due to high demand we cannot accept every child onto the training so after we gauge initial numbers we will have to have a selection process to see who makes it onto the team to be submitted to the organisers. This team is a minimum of 8 and a maximum of 10 players. If they wish, the unsuccessful children are still invited to attend the weekly training but will not be eligible to play in the tournament.

If your son is interested in joining us this year and parents can commit to bringing them on Saturdays between 2pm to 4pm (beginning Saturday June 23rd) please complete the following and return to Madressah by Thursday 7th June:-
